

PROJECT

Jebal ALkhdar Park

OVERVIEW

Client	Project Size (in sqm)	Project Location	Project Component
Nizwa Municipality	1000 SQMTRS	Jebel Akhdar	Supply & installation of children play equipments & rubber safety flooring

PROJECT REMARKS

Nizwa Municipality was developing a landmark park atop Al Jebel Al Akhdar and aimed to create a vibrant, lively children's play area within the park. The solution included a combination of unique children's play equipment and colorful rubber safety flooring. The project generated significant social media buzz among local residents.
