

PROJECT

Oman Across Ages Museum

OVERVIEW

Client	Project Size (in sqm)	Project Location	Project Component
Royal Court Affair	5000 Sqmtrs	Nizwa	Supply & Install Artificial Landscaping Turf

PROJECT REMARKS

Oman Across Ages Museum, one of the leading museums in the GCC, required a sustainable landscape solution that conserves water while maintaining the appearance and feel of natural grass. Khimji Ramdas delivered an effective solution by supplying and installing high-quality landscape grass from Tarkett, Germany, achieving an aesthetically pleasing, low-maintenance, and environmentally responsible outdoor space.
