

PROJECT

Vinyl Flooring For Sultan Qaboos Cancer Care Hospital

OVERVIEW

Client	Project Size (in sqm)	Project Location	Project Component
Royal Court Affair	15000 sqmtrs	Muscat	Supply & Install Hospital Vinyl Flooring

PROJECT REMARKS

Oman's first-ever 7-story specialized cancer care hospital was under development, and Khimji Ramdas successfully delivered premium vinyl flooring across a variety of areas, from general wards to operation theaters and critical care zones. Remarkably, the entire project was installed and completed during the challenging COVID-19 era, demonstrating KR's commitment to quality, safety, and timely execution even under unprecedented conditions
