

PROJECT

Cycle Track At Al Amirat

OVERVIEW

Client	Project Size (in sqm)	Project Location	Project Component
Muscat Municipality	3000 sqmtrs	Al Amirat	Supply & install cycle track flooring

PROJECT REMARKS

KR successfully installed a red-colored cycling track in the scenic area of Al Amirat. The high-traction surface ensures safe and comfortable use, while the integrated distance markings clearly indicate the number of meters cycled. Designed to enhance the outdoor experience, the track quickly became a popular and well-received facility among local residents.
